L. V. Stockard Middle School

Operation ReEngage/ Reduce Failure Rates

Target Audience

6th- 8th Grade Scholars demonstrating low attendance and high rates of failures

Interventions

- Case management teams designed to conduct home visits
- Spreadsheet created to capture data
- Increased student support and engagement
- Implemented Stockard Strong Award

Resources Utilized

- Revised Staff Schedules
- Allocated funds for after-school tutoring

PROJECT OUTCOMES

INCREASE ATTENDANCE RATES

Attendance improved during the 2020-21 school year:

- October (83%)
- December (82%)
- March (93%)
- May (91%)
- June (86%)

REDUCE FAILURE RATES

The Case Managers on campus led their group of students to overcome barriers in passing, increasing the number of students returning to face-to-face instruction.

Overall, the campus failure rates from Fall 2020 to Spring 2021 decreased by 19%.

INCREASE STUDENT RELATIONSHIPS

An increase in student activities and incentives, increased teacher to student relationships to 77%.

The campus is continuing to work towards increasing engagement from 54% last Spring, particularly for virtual students.
